“Communication is excellent. You do a brilliant job of keeping us informed on everything and always answer any questions outside of this. You also organise events brilliantly so that parents can plan ahead and be available.”

“Communication between school and home generally seems good. There always is a lot of information so making it as concise and as easily accessible as possible is key.”

“The infants school is a wonderful learning environment for the children. I have seen how the staff are with them and the nurturing that takes place.”

“We have been impressed at the range of time given to community engagement.....the quality of learning experiences offered....the support given to help the children and parents settle into school life.”

“We love Telford Infants.....I know no school is perfect but Telford Infants comes pretty close!”

“I feel despite the challenges facing schools, the pupils at Telford Infants are not missing out and are having the best start to their education journey!”

Information evenings are better when they are held in person in school, you would like to reserve a place and the best timings are 6-7pm	We will hold our welcome meetings, assessment evenings and learning to learn evenings in person at school from 6pm to 7pm. We will provide the option to reserve a slot, but there will be no limit on numbers. Information shared at these events will be made available on our web site.
