Date of latest update:	July 2024
Date of next review:	September 2025

*This Policy is available for Staff and Governors on One Drive.
It is also available for parents on the school website and on request from the school office.*

1) INTRODUCTION

School attendance is subject to various education laws and this policy is written to reflect these laws as well as the guidance provided by the Department for Education. Telford Infant School's Attendance and Punctuality Policy reflects the key principles of the DfE statutory guidance effective from 19th August 2024: Working together to improve school attendance. <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

The law entitles every child of compulsory school age to a full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school. Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

At Telford Infant School we believe that if pupils are to benefit from education, good attendance is crucial and we will do all that we can to ensure maximum attendance for all children. We strive to create a calm, safe and supportive environment where all pupils want to attend and are keen and ready to learn.

The attendance and punctuality of every child are monitored closely. We aim to identify any problems that prevent attendance or punctuality and strive to address these in partnership with families as efficiently as possible so that pupils can benefit from all the learning opportunities on offer and make good progress. We recognise the vital role that families play in the success of this policy and all school staff work with pupils and their families to ensure each pupil attends school regularly and punctually.

2) AIMS

At Telford Infant School, through the implementation of this policy, we aim to achieve good attendance and punctuality by:

- creating a stimulating and exciting learning environment which fosters a desire in children not to want to miss a single day of their schooling;
- informing parents of their own legal responsibility and school policy;
- working closely with and supporting families to ensure any barriers to good attendance are overcome;
- supporting teachers and school management in promoting and monitoring good attendance and punctuality;
- ensuring a consistent approach and high expectations across the school – a whole school culture that promotes the benefits of high attendance and punctuality;
- regularly and thoroughly monitoring attendance for every child;
- working in partnership with other schools and external agencies.

We believe that Attendance, like Safeguarding, is everyone's responsibility and work in partnership with parents and carers to ensure every child's attendance is the very best it possibly can be. Our aim is to always work in partnership with parents and carers.

3) ROLES AND RESPONSIBILITIES

High levels of attendance and good punctuality is the responsibility of all – everyone has a contribution to making a positive difference.

Annex A provides the DfE Summary Table of responsibilities for school attendance.

Knowing where children are during school hours is an extremely important aspect of safeguarding - absence can be an indicator of abuse and neglect and may also raise concerns about other safeguarding issues, including extra familial harms. At Telford Infant School our Designated Safeguarding Leads (DSLs) always consider attendance when discharging their duties. Our DSLs are: Ms Louise Roberts, Mrs Natalie Jarvis, Mrs Merion Shippam and Mrs Kate Walsh. They can be contacted via the school office:

Legal Framework

The Education Act 1996 requires parents/carers or guardians to ensure their children receive efficient full-time education suitable to their age, ability and aptitude; to any special educational needs he may have, either by regular attendance at school or otherwise. A child is of compulsory school age at the beginning of the term following their 5th birthday.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

Parents/carers and guardians have a legal responsibility to ensure their children receive efficient, full- time education by regular attendance at school or otherwise under section 7 of the Education Act 1996.

Section 576 Education Act 1996 defines 'parent' as:

- Any natural parent, whether married or not;
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person;

- Any person who, although not a natural parent, has care of a child or young person.

If a child of compulsory school age fails to regularly attend the school which he/she is registered at, then the parent/guardian is guilty of an offence under section 444 of the Education Act 1996.

Schools must take the attendance register at the beginning of each morning session and once during each afternoon session. On each occasion they must record whether every pupil is:

- present;
- absent;
- attending an approved educational activity; or
- unable to attend due to exceptional circumstances.

The school will record absences in line with the DfE Attendance coding guidance.

4) ABSENCES

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school without a good reason creates an offence in law and may result in prosecution. Only the school in the context of the law can approve absence. The fact that a parent has offered a note, phoned, or made personal contact in relation to a particular absence does not of itself oblige the school to accept it.

Every half-day absence from school must be classified by the school, not by the parent, as either authorised or unauthorised. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

Authorised Absences

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness, medical or dental appointments which unavoidably fall in school time or emergencies.

Religious Observance may also be authorised where a day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.

The school has concern and sympathy for families during times of bereavement and will use its discretion to authorise an agreed period of absence.

If the total length of an authorised absence from school, eg due to a medical condition, is expected to exceed 4 weeks the school will refer to the Local Education Authority to seek support from the appropriate service – for example the Flexible Learning team can support children needing long term medical care. If appropriate, and if the child is able to undertake some learning at home, then the school will liaise with parents and ensure that work is sent home for the child to complete.

Unauthorised Absences

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave of absence' has been granted. This type of absence may lead to the school referring to the Local Authority – Warwickshire Attendance Service (WAS) - for penalty notices and/or legal proceedings.

Persistent and Severe Absenteeism

A pupil is defined by the Government as a 'persistent absentee' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and the school need the full support and co-operation of parents to resolve this.

A pupil is defined by the Government as being severely absent when they miss 50% or more schooling across the school year for any reason.

The school understands that there will be pupils who will have low absences due to diagnosed, ongoing medical conditions and the school will work closely with parents of those pupils to support attendance and access to education.

Children Missing from Education

Warwickshire County Council has a legal duty to identify children missing education and to make sure they return to education wherever possible and schools are required to take appropriate action for children missing education. The school is concerned about any child who may be missing from education, as it might not be just their educational development at risk but also their safety and wellbeing and will make a referral to WCC.

5) PUNCTUALITY

We actively discourage late arrival at school. A child arriving late at school seriously disrupts not only his or her own learning but also that of others. Exceptional circumstances occasionally arise and these should be discussed with the Class teacher or Headteacher.

Children are able to enter their classroom between 8.45am and 8.55am in order to prepare themselves for the school day. A bell rings at 8.55am when external classroom doors are closed after which point children must be brought into school through the main school entrance and their parent/carer must sign them in on an Arrival slip. Any child arriving between 8.55am and 9.25am, when registers are closed, is marked late – L code.

If a child arrives late after registers are closed (9.25am – half an hour after the start of the school day), with no adequate explanation, this will be marked as an unauthorised absence – U code.

The school gates are closed by the caretaker as soon after 8.55 am as is possible. All children late after the 8.55am bell rings are to be brought to the school office where a member of staff will ensure that their parent or carer signs them in and provide a reason for the late arrival.

Our afternoon session starts at 1.15pm.

Punctuality is analysed alongside attendance. Where there are more than five occasions of lateness the class teacher or Headteacher will contact the parent or carer to remind them their responsibility to ensure their child arrives at school on time and to sign post support for any barriers they may be experiencing. If lateness persists following a further five late occasions the parent will be asked to make an appointment to see the Head teacher and Early Help may be offered if appropriate to help address any barriers the family are facing. If punctuality does not improve a referral to Warwickshire Attendance Service may be made.

Parents should not be late to collect their children. The school day ends at 3.20pm and parents should be on the playground ready to collect them at this time or have made other arrangements for them eg. attendance at SMILES or other after school club run on the school site; collection by a child minder or other named adult. If a child has not been collected by 3.30pm the class teacher or a member of the office team will phone their parent. Where a parent is frequently late collecting their child the Headteacher will follow this up with the parent and offer Early Help if appropriate.

6) SCHOOL PROCEDURES RELATING TO ABSENCE

In the case of absence due to illness, medical or dental appointments a parent or carer must notify the school in person at the school office or by a telephone call (01926 425544) before the beginning of the school day or by 9.15am at the latest.

First Day Contact - if a child is not present at registration and no explanation has been given then a phone call will be made to the child's parents/carers by the school office to confirm their whereabouts and safety. If the person with first priority on the child's personal data sheet cannot be contacted then other contacts on that list will be phoned. If we still cannot confirm the whereabouts of the child then we will phone schools that other siblings attend, if known, and if we have concerns related to Safeguarding a Designated Safeguarding Lead will be alerted and a phone call made to the MASH.

If a child is collected by their parent/carers from the school after registration but before the end of the school day at 3.20pm then this must be recorded on a Departure slip at the school office, with a reason for collection provided. If the child is able to return before the end of the school day then they should be brought back to the school office and their re-entry to school must be recorded on an Arrival slip.

The decision to phone parents to collect when a child is feeling unwell or has an accident during the school day is made by the Class teacher /Paediatric First Aider and seconded by a Phase Leader or other member of the Senior Leadership Team and will depend on individual cases.

Leave of Absence

Leave of Absence requests should be made on the following form - Warwickshire County Council's 'Application for Leave of Absence for a School Pupil in Term Time in Exceptional Circumstances Only'. Annex B. Hard copy available from the school office.

- Head teachers **shall not** grant **any** Leave of Absence during term time **unless they consider** there are **exceptional** circumstances relating to the application.
- **Parents do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are exceptional circumstances and the Head Teacher must be satisfied that the circumstances warrant the granting of leave.**
- Head Teachers will determine how many school days a child may be absent from school if the leave is granted.
- The school can only consider applications for Leave of Absence which are made by the resident parent. ie the parent with whom the child normally resides.
- Applications for Leave of Absence must be made in advance and failure to do so will result in the absence being unauthorised which may result in legal action against the parent, by Fixed Penalty Notice.
- Applications for Leave of Absence which are made in advance and refused will result in the absence being unauthorised which may result in legal action against the parent, by Fixed Penalty Notice, if the child is absent from school during that period.
- If a Fixed Penalty Notice is issued and is not paid within the timeframe set out in that Notice, the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Each application for a Leave of Absence will be considered on a case by case basis and on its own merits.

Deletions from the School Register

The school will only delete a pupil from their register in accordance with The School Attendance (Pupil registration) (England) Regulations 2024 the local Authority will be notified of this removal.

Our school will inform Children's Services when a child with safeguarding concerns is due to be removed from the school register.

7) MONITORING OF ATTENDANCE AND PUNCTUALITY

The School Office takes responsibility for first day absence calls and for recording reasons for absence. The Headteacher and is alerted if there are any concerns.

The Headteacher monitors attendance on an ongoing basis through FFT Aspire reports and using SIMs data – the attendance and punctuality of individual children causing concern are scrutinised as are attendance rates for specific groups eg. classes, across year groups, children

on the SEND register, children eligible for the Pupil Premium grant. Comparisons are drawn with national attendance data.

Any concerns are discussed with class teachers and are followed up as appropriate with parents. Attendance data of children whose attendance is below 92% is also scrutinised by Senior Leaders and Class teachers during half termly Pupil Progress meetings

Attendance %s and any lates are included on all children's Target Sheets in the Autumn and Spring terms and end of year reports to allow all parents to see their child's individual attendance. Parents will be provided with a print out of their child's SIMs attendance report on request from the office on request, at any point on the school year.

The Headteacher, Admin Assistant and Governor with responsibility for Attendance meet at least termly and an Attendance and Punctuality monitoring report is created for the Full Governing Board based on their findings. Data is benchmarked against other schools as well as nationally and school trends are also analysed.

The Full Governing Board sets high expectations for and recognise the importance of high school attendance for every child and they promote this across the school's ethos and through policies. Each year they nominate a governor with responsibility for attendance and punctuality. They ensure that leaders fulfil expectations and statutory duties and ensure that staff receive appropriate training. An Attendance report is presented termly to governors who scrutinise the data and hold senior leaders to account.

The school monitors the attendance of all children and use a staged approach to address any issues. We wish to work in partnership with families to support the best possible outcomes for their children.

Stage 1 – Initial Concern

- Child's attendance falls below 97%*.
- Class teacher raises concerns with parent/carer.

*The school understands that very early on in the school year missing only a day or two may result in a child's % attendance falling below 97% and may monitor at this point rather than contact parent.

Stage 2

- Child's attendance level declines further.
- Parents/carers are asked to meet with the class teacher to discuss concerns. Any barriers are discussed and support offered where appropriate.
- An individual short term attendance target is agreed.

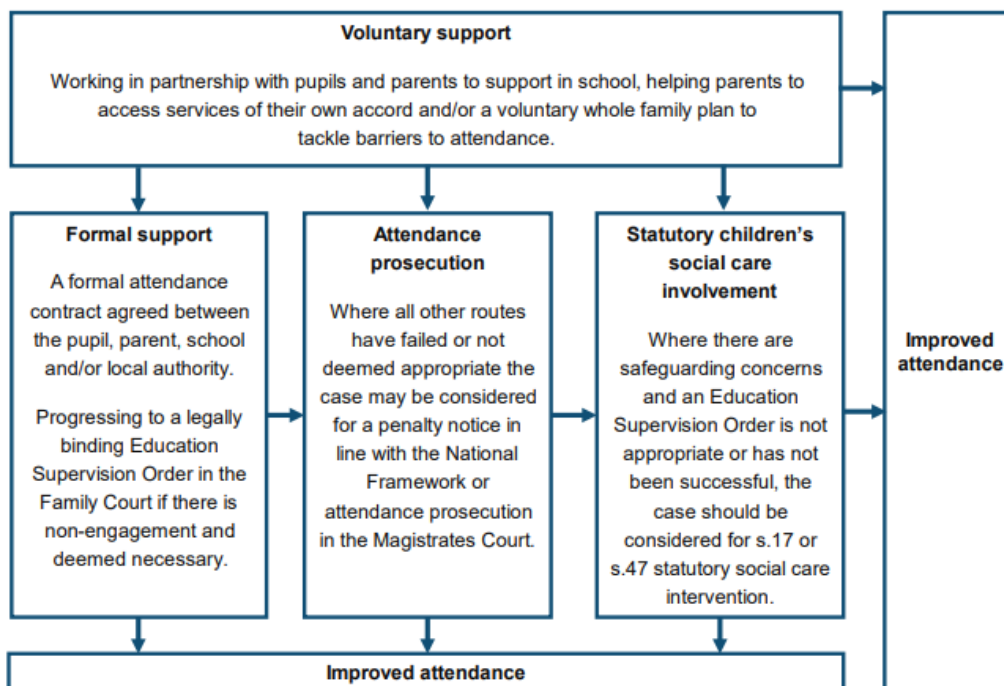

Stage 3

- Despite previous intervention, the child's attendance level is still not improving and their attendance falls to 90% (persistent absence).
- Parents/carers are invited to school for a meeting with the Headteacher to discuss concerns and the potential support from external agencies (eg. Early Help). A formal individual attendance target is set and parents advised that any absence during the period will be unauthorised, unless covered by appropriate medical evidence. If a parent/carer declines the offer of a meeting, targets will be set and parents will be sent a letter outlining the target and an agreed target review date.
- Any children failing to show an appropriate level of improvement may be discussed with Warwickshire Attendance Service (WAS).

The school understands that some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long term diagnosed medical conditions and we work in partnership with their parents to put additional support in place where necessary to help them access their education.

As absence is so often a symptom of wider issues a family is facing, schools work together with other local partners to understand the barriers to attendance and provide support. Where that is not successful, or is not engaged with, the law protects pupils' right to an education and provides a range of legal interventions to formalise attendance improvement efforts, and where all other avenues have been exhausted, enforce it through prosecuting parents. Attendance legal intervention can only be used for pupils of compulsory school age and decisions are made on an individual case by case basis.

Providing support first before attendance legal intervention

8) COMMUNICATING INFORMATION

- Through the school website, newsletters and specific letters related to attendance, the Headteacher is responsible for informing parents of the school's policy and procedures on attendance and punctuality.
- The Class Teacher will communicate with parents at any point that a child's absence or punctuality during a term is causing a concern – this may be a phone call or a face to face conversation. Occasionally this may be by email.
- Through the school's staged approach for following up low attendance – see above.
- Attendance concerns will be communicated to as senior leader (usually the Headteacher) to a child's new school when transferring to a new setting.
