

**This is how we stay safe when we use  
computers in school:**

I will ask an adult if I want to use the  
computers.

I will only use activities that an adult has told or allowed me to use.

I will take care of the computer and other equipment.

I will ask for help from an adult if I am not sure what to do or if I  
think I have done something wrong.

I will tell an adult if I see something that  
upsets me on the screen.

I know that if I break the rules I may not be allowed to use a com-  
puter.
