

This is how we stay safe when we use computers in school:

I will ask an adult if I want to use the computers.

I will only use activities that an adult has told or allowed me to use.

I will take care of the computer and other equipment.

I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong.

I will tell an adult if I see something that

upsets me on the screen.

I know that if I break the rules I may not be allowed to use a computer.
