

TELFORD INFANT SCHOOL SPRING TERM 2024 PARENT QUESTIONNAIRE RESULTS AND ACTIONS

A huge thank you for completing our Spring Parent Questionnaire. We are extremely pleased that so many of you are happy with the care and education our school provides. Below are the results, some quotes and the actions we have taken to make our school even better.

126 parents
responded to the
questionnaire

"The school is amazing. We feel part of a school community and most importantly my child is so happy at school, has made lots of friends and absolutely loves learning."

"My child loves coming to school, has an excellent education and wider experiences that enrich his curriculum. Children leave Telford Infant School ready for the next stage in their education and life."

"It's a lovely nurturing school. We are very impressed with all the opportunities you offer."

"Fabulous school, wonderful team of staff, amazing communication."

"Extremely happy – my child is also happy therefore I am – I know she is in the best hands for her growth and progression."

"It is a lovely school with wonderful teachers who are nurturing and supportive."

"My children are safe and well cared for."

TELFORD INFANT SCHOOL SPRING TERM 2024 PARENT QUESTIONNAIRE RESULTS AND ACTIONS

You said.....	We are doing.....
<p>After school events are difficult to attend, more advance notice and a variety of days would be beneficial.</p>	<p>From September 2024 we will trial Celebration of Learning events before and at the end of the day on a variety of days (this year they are on a variety of days but all at 2.45pm). We will ensure that welcome, information and assessment evenings are not all on Wednesdays. We will aim to confirm as many dates as possible at the beginning of the September for that academic year.</p>
<p>Recording reading at home on tapestry is difficult. It would be good to have more reading books sent home and for parents/carers to have a better understanding of what and how reading is taught in school.</p>	<p>Please see the 'A Parent/Carer Guide to Reading at TIS' that will be issued shortly after the Easter break. Children can change their book twice a week, but we do ask the children if they have read it. If they haven't, we ask you support them to do so before changing it, to develop healthy reading habits. We will explore the benefits and restrictions of paper reading diaries for parents to use from September.</p>
<p>Trips are a great learning experience. But how do I volunteer for them and why can't I be with my child? How do you decide where to go on trips?</p>	<p>Please see the 'A Parent/Carer Guide to external visits at TIS' that will be issued shortly after the Easter break which answers all these questions and more.</p>
<p>More availability is needed at SMILES breakfast and after school club.</p>	<p>We understand that wrap around care is vitally important for working parents. We are currently reviewing our provision and will inform parents as soon as possible about our plans to provide more places. This will be a phased approach between now and September 2026 in line with new government guidelines for wrap around care.</p>
<p>After school clubs are a fantastic opportunity for the children to extend their skills and friendships. Many suggestions of new clubs were made.</p>	<p>We pride ourselves on offering a wide range of after school clubs. Unfortunately, some clubs are offered and then do not run because the uptake is not high enough. Sometimes external providers decide to stop clubs that they previously offered. Rugby will be starting in September, and we will investigate the possibility of a gymnastics club.</p>
<p>We would like INSET dates and other events to be synced with the Junior school.</p>	<p>The junior and infant school liaise, and we try our best to sync dates where we can. Sometimes as we are separate schools, this is not always possible. Our school council represent our pupil voice and take a lead on deciding our approach to charity events (such as non uniform) which will not always be the same taken as the Junior school. We will continue to give as much notice about INSET days and other events as we can.</p>
