This is how we stay safe when we use computers in school:

- I will ask an adult if I want to use the computers.
- I will only use activities that an adult has told or allowed me to use.
  I will take care of the computer and other equipment.
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong.
- I will tell an adult if I see something that upsets me on the screen.
- I know that if I break the rules I might not be allowed to use a computer.
